

McGredy Winder SOLGM Local Government Excellence Awards®

About the 2020 McGredy Winder SOLGM Local Government Excellence Awards® Application

The McGredy Winder SOLGM Local Government Excellence Awards® are for programmes, projects and approaches that demonstrate professional excellence and innovation in local government management. Councils are encouraged to enter to impact the local government sector and to gain recognition of their excellent work.

Last year, thirty-one entries were received across a range of local government activity – from harbour remediation to dog control. The back-office functions that the public don't see, such as human resource management and finance, have also been represented among past entries.

At the SOLGM Gala Dinner and 'Local Government Comes to Town' exhibition, entrants exhibit their work and both category winners and the overall winner for the year are announced.
