## Purchasing Information

---

### Pricing Structure

#### Standard cost

The standard seat cost is \$120.00+GST. This is for six courses that make up a programme of learning i.e. \$20 a course. All six courses must be purchased together.

#### Multi-user pricing

*The following is the price for the number of seats you would like to purchase, not the size of your council.*

Starter	Growth	GrowthPlus	Super	SuperPlus
20-50	51-100	101-150	151-300	301-500
\$1,800-\$4,500	\$4,575-\$8,250	\$8,310-\$11,250	\$11,295-\$18,000	\$18,030-\$24,000

*Note: multi-user pricing is sold in bundles of 5. All prices are GST exclusive.*

### Payment

Seats will be assigned in our learning system once payment is made in full. An invoice of your purchase will be generated to your accounts department, if you have any queries regarding your invoice, please email: [accounts@solgm.org.nz](mailto:accounts@solgm.org.nz).

### How has SOLGM arrived at the cost?

- SOLGM has tried to balance product value, affordability, accessibility, and equity between councils.
- We have provided flexible options so councils can purchase the amount of 'seats' relating to their needs.
- We have developed multi-user pricing to reduce the cost per user for councils who commit to purchasing larger amounts at one time.
- This is a unique product that will make a difference – it will save time in travel, accommodation, venue fees, catering, and reduces lost work hours.
- There are no other products like this on the market.
