

## McGredy Winder SOLGM Local Government Excellence Awards®

### 2018 McGredy Winder SOLGM Local Government Excellence Awards® Application

The McGredy Winder SOLGM Local Government Excellence Awards® are for programmes, projects and approaches that demonstrate professional excellence and innovation in local government management. Councils are encouraged to enter to impact the local government sector and to gain recognition of their excellent work.

Last year, thirty-three entries were received across a range of local government activity – from the preservation of historical heritage to managing freshwater. The back-office functions that the public don't see, such as human resource management and finance, were also represented among the entries.

At the SOLGM Gala Dinner and Marketplace, entrants exhibit their work and both category winners and the overall winner for the year are announced.
